The Laurel Ridge Parent Teacher Association welcomes all LRES families, teachers, and staff to become members!

We are a local chapter of the national organization whose primary role is to build strong working relationships among parents, teachers, and schools to support our students.

This can include recruiting and coordinating volunteers, providing special recognition in awards ceremonies or other activities, organizing parent education events, planning teacher appreciation activities, and much more.

PTA-organized events and general membership meetings are open to all of our LRES students and families, regardless of PTA membership status.

Single membership is \$10. **To join as a PTA member, visit** <https://laurel-ridge-pta.square.site/>
